

October 2016

Fall is in the air, Halloween is almost here and Christmas isn't far behind.

There is still plenty of time to make Christmas gifts. We have a selection of tree skirt patterns. There are also table runner patterns and Insul-Brite to make them into giant hot pads.

Don't forget slippers and aprons for gift ideas and we have lots of pillowcase kits all ready to go.

There are now three styles of Fold & Stitch wreaths and we have them all as well as the precut foam to speed up the creating.

Shirley made models of both foam covered ornament patterns that we carry and either of them would also make a nice gift.

Hoffman has come out with a line of William Morris reproductions that we have added to our collection. Be sure to take a look.
