

January 2014

Snow, snow and more snow! Hope you are using up your stash while you're house bound. The delivery trucks haven't stopped coming so there is a lot of new fabric on the shelves and also many bolts that were moved to clearance.

We are gearing up for this year's Stitches in Time Quilt show. This show depends on you, my wonderful customers, sharing your work. I'm attaching an entry form if you receive your newsletter by e-mail. Print out a separate form for each quilt you would like to enter and send or bring them to the shop. Hard copies will also be available. If you need me to email or snail mail you a form please contact me at [lcllc100@gmail.com](mailto:lcllc100@gmail.com)

We again have beautiful dichroic glass dishes made by Lyndie Parrish for Viewers' Choice Awards.

Downton Abbey is coming as a block of the month! The second Saturday group is going to work on this together if you would like to join them or you can do it on your own. The fabric is due in by March and Pat will get a block together as soon as possible. We are doing this a bit differently than a regular BOM. I'll ask that you purchase the fabric ahead of time and then will give you the pattern for the block each month.

We just received some new hand dyed wool from Woolly Lady as well as patterns for the Poinsettia table runner that is on display. The wools are lovely, luscious, mouth watering colors and can be purchased in packs of 6-12x8 pieces or 12x16 singles.

The Stitching Society that meets on the third Sunday of the month has been so popular that we are adding a session on the third Monday of each month from 10-12 starting in February. You are welcome to stay longer if you would like. Let me know soon if you are interested because it takes a while for the materials to arrive.

This program, designed to work with wool, has a monthly packet of applique motifs, a small project pattern every month and a sizeable collection of embroidery stitches. It is designed to be a year long program. The cost is \$60 to enroll, and \$10/month for the first 6 months.

We have been concentrating on embroidery during the class time after a brief discussion of wool applique techniques the first session.

For those of you who just want to have a wool sit and stitch, Karen Penrod is starting a group on the first Monday of every month meeting from 12-4...any pattern or technique...it just needs to be wool.

### Screen Play...Denise

This fun pattern uses plastic screening to make a perfect bag for school, the beach or Halloween goodies. We have a great selection of fun colors of screening right now.  
Friday March 7 from 1-4
